

## PRESS RELEASE

### Momentous Day for Cobham Sports Association

*There are one or two truly momentous moments in life and so it is with the life of Cobham Sports Association (CSA).*

*One such date for the CSA was 13<sup>th</sup> September 2008 – the official opening of the Peter Marsh Pavilion.*

*The 9<sup>th</sup> May 2011 is another momentous day.*

*We are delighted to announce that the CSA has completed the negotiations for the Golf Driving Range grounds at the back of the Fairmile Pub on the Portsmouth Road.*

*In essence, this doubles the amount of sports grounds available to the young people in the community hosted by the individual sports entities under the CSA umbrella.*

*A great deal of work and money is now required to turn this dilapidated driving range into sports pitches.*

*This will not happen overnight and the CSA will be working towards these pitches being available for September 2012.*

*Andy Harburn, Chairman of the CSA states; “Over the last few years, we have been delighted with the growth of the club which now plays host to 28 Rugby squads, Lacrosse, Netball and Tennis”.*

*Andy continues, “But since 2008, it has been clear that we have a first rate clubhouse but 3<sup>rd</sup> rate pitches due to the amount of wear-and-tear they have sustained. Now, with the new grounds, we have a chance to change that.”*

*You can follow progress by going to the Cobham Rugby Club website [www.cobhamrfc.com](http://www.cobhamrfc.com) and navigating to “Land Development” area.*
